Al - Gharnatah St - New Industrial Area - Ajman, United Arab Emirates

## Who we are?

Welcome to **CEDAS Elevators & Fabrication SPS LLC**, your premier destination for vertical mobility solutions in the dynamic landscape of the UAE. Since our establishment in 2011, we've been on a mission to redefine the standards of excellence in elevator technology and accessibility solutions.

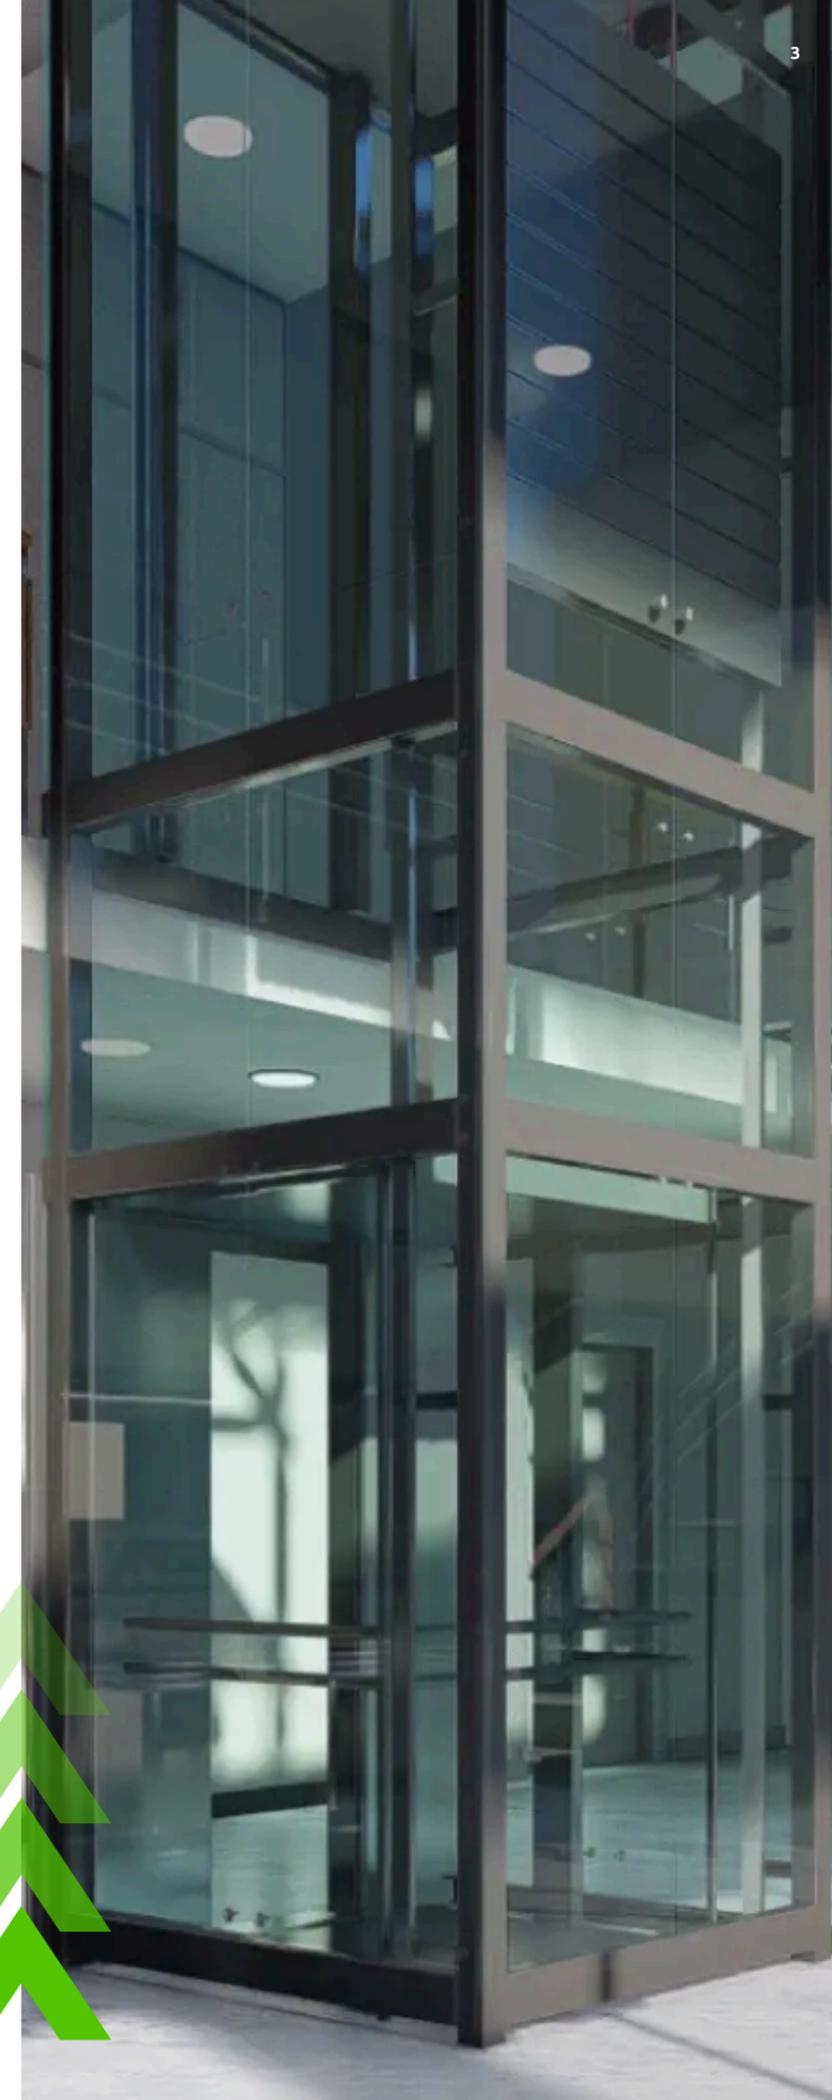

As one of the developing and modernized ISO certified companies in the region, we take pride in providing complete elevator solutions for diverse industries and innovative accessibility solutions for PODs across the UAE.

With a talented team of engineers and support staff boasting extensive experience in the UAE, we've earned a reputation for introducing cutting-edge technologies and delivering exceptional results.

From concept to execution, we're dedicated to elevating your experience with unmatched expertise and service. Join us as we shape the future of vertical transportation and accessibility solutions with passion and precision.

## Why us?

- **Innovative Solutions**
- **Vested Interest in Finding the Right Solution**
- **Local Skills & Talent**
- **Technology Enablement / Business Partner**
- **Quality Assurance & Policy**
- **Health, Safety, Environmental Policy**

# Our Mission

## Our Vision

- At **CEDAS**, our vision is to be the best company in the world--in the eyes of our customers, shareholders, communities and people. We expect and demand the best we have to offer by always keeping **CEDAS**'s values top of mind.
- People – A company, any company, is nothing more or less than the people who make it up. We believe the most important assets of the **CEDAS** Company go home at the end of every workday.
- Working – This is about effort, Work. We all have a task to do. We are here to provide value to our shareholders, to **CEDAS** people, and to communities where we work.
- Integrity- We must do the right thing every time, and run our business to the letter and spirit of the law. By acting ethically and honorably, we win the loyalty of our customers.

- Ensuring 100% customer satisfaction.
- Ensure continuous and efficient after sales service with individual attention within least possible time frame.
- Continuous improvement in technology and enhancing the quality, knowledge and skills of our employees
- Achieve reasonable returns on investments for the stakeholders
- To design, develop and practice green and eco-friendly technology and products for the well-being of our planet and our customers.
- Safety - **CEDAS** starts every day without giving safety a second thought. For us, that's success. We understand that the safe way is the only way.

# CEDAS Home Lifts

**CEDAS** Home Lifts revolutionize the notion of home accessibility, offering homeowners a blend of convenience and style for vertical transportation within their living environments.

Whether the aim is to future-proof the home or to enhance accessibility for elderly family members, our lifts provide a practical and elegant solution that significantly enhances the quality of life.

With a commitment to innovation and user-centric design, **CEDAS** Home Lifts seamlessly integrate into any residential setting, ensuring effortless mobility and comfort for all occupants.

# Key Features

**Elegant, Comfortable, Quiet & safe**

Our lifts offer an atmosphere of elegance while ensuring comfort, tranquility, and safety.

**Complying to European & Local standards**

Our lifts meet rigorous standards set by European and local authorities, guaranteeing compliance and reliability.

**Wide range of Luxury and minimal finishes**

Choose from a diverse array of luxurious, stylish, and simplistic finishes to suit your aesthetic preferences.

**Customizable & Eco sustainable solutions**

We provide customizable options that are eco-conscious, ensuring your lift is both personalized and sustainable.

**Automatic rescue system**

With our automatic rescue system, rest assured that safety is prioritized, offering peace of mind in any unforeseen circumstances.

**Low pit & low headroom options**

Our lifts offer low pit and headroom options, ideal for maximizing space without compromising functionality or safety.

**Semi-automatic & automatic door options**

Select from semi-automatic or fully automatic door configurations, providing flexibility to match your specific needs and preferences.

**Ease of use & interface with smartphones**

Our lifts are designed for effortless operation and seamlessly integrate with smartphones for convenient control and monitoring.
